

18th EV Memorial Scientific Session 2019

On 9th and 10th March 2019, the 18th Dr. E. Vaithilingam Memorial Scientific session was held at Shankar Netralaya Chennai. The Elite School of Optometry initiated this annual conference in the year 2002 that continues still to encourage the optometrists and optometry students forecast exponentially their research work. Many national and international institute participate in the scientific session every year.

Presentations and lectures were presented by national and international speakers that focused mainly on Imaging and Diagnostics followed by scientific oral and poster presentations. There were exemplary clinicians and researchers to enlighten the minds of the students with their talks. Also an innovative session called 'Ideas to Reality' was conducted to build the next generation eyecare with technologies.

Like every year Laxmi College Of Optometry also participated in the session. We had our final year student Mr Pranav Sandam as an

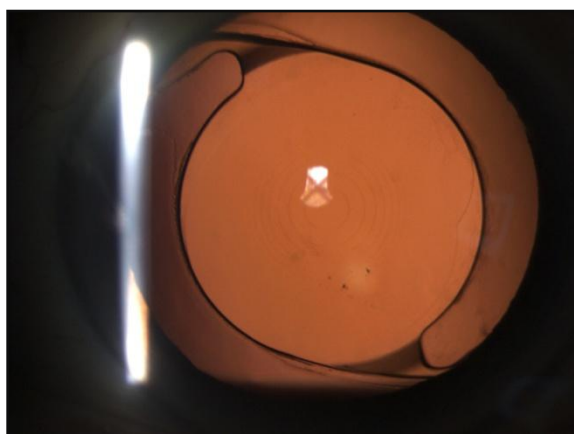

astounding speaker for the oral presentation in the scientific session. In addition to it he bagged the 1st prize in Ocular Photography contest that appraises his stunning efforts.

Well done Pranav!!!!
