
Event Drishti by Indian Optometry Federation

Indian Optometry Federation had organized the 3rd National Optometry Conference at Jabalpur Madhya Pradesh. Our Faculty Miss Aysworya Mohapatra attended this CME named “Drishti” on 6th and 7th January 2019. She was invited by Jabalpur Optometrist Association as a panelist for the scientific session. She was also a speaker for the event presenting on the topic “Basics of Contact Lens and Dispensing” as a lecture for the delegates who were practioners and students more in number. There were other panelists and speakers from AIIMS New Delhi, Ahojja Eye Institute UP, Drishti Eye Institute MP, educators from Venu Eye Institute and many more. Her presentation was well applauded by the faculties and students and was also presented with a memento for the same.

Well done Aysworya!!!
