

Workshop on Fresnel Prisms and Lenses

On 14th of February, 2017 the 3rd year students of Laxmi College of Optometry attended a workshop on Fresnel prism and lenses in Dr. D. Y. Patil Institute of Optometry, Dr. D. Y. Patil university , Pimpri.

The seminar was held by Ms. Kathy Armstrong (President, Fresnel Prism) and Mr. Mark Armstrong (General Manager, Fresnel Prism) in association with Dr. Kuldeep Raizada (Founder & Director of the International Prosthetic Eye Center) owner of Akriti Oculoplasty logistics.

A hands-on training was given for fresnel prism. Further, Dr. Kuldeep Raizada delivered a lecture briefing about few products from Akriti logistics like 3 M Prisms (fresnel prisms), Bangerter occlusion foils, MIN Lens etc.

The session was ended with a round of felicitation by Ms. Kathy Armstrong and Mr. Mark Armstrong.
