

## 16<sup>th</sup> Dr. E. Vaithilingam Memorial Scientific Session (E.V Memorial - 2017)

The BSc. Optometry interns of Laxmi College of Optometry attended the 16th E. V. Memorial scientific session at Shankara Netralaya in Chennai. The session started with a Pre conference workshop on 18th of March and the conference commenced on 19th of March, 2017 with the chief guest Dr. Ralph Herring (University of Houston).

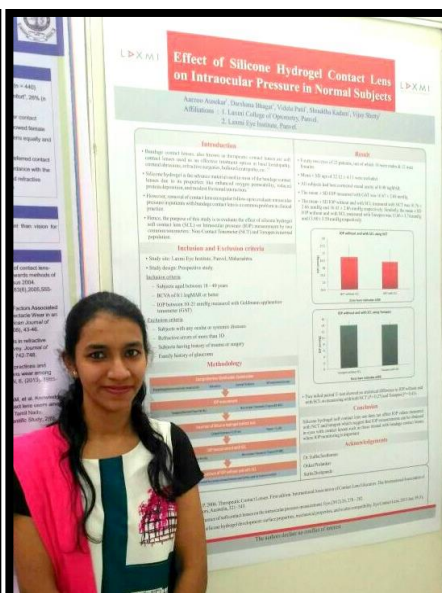

There were various lectures held by national and international speakers based on the optometry practice and advancements followed by competitions for scientific poster presentation, oral Presentation and Quiz.

Our final year students Ms. Anaya Naik and Ms. Aarzoo Ausekar presented their posters on this occasion.

*It was a great experience to be a part of this remarkable culture in the Field of Optometry!*
