

Annual sports day 2023

The Laxmi Eye Institute hosted its much-anticipated annual sports day on 16th April 2023, a vibrant and inclusive event that brought together students from Laxmi College of Optometry, dedicated doctors, enthusiastic faculties, and the hospital staff for a day of spirited competition and togetherness. The sun shone brightly as participants engaged in a variety of sports and recreational activities, fostering teamwork, unity, and healthy competition. It was heartwarming to witness doctors, professors, and staff members actively participating alongside the students, breaking down barriers and creating lasting memories. Laughter, cheers, and a sense of community filled the air, making this day an unforgettable and enjoyable celebration for all involved.
