

Vadale Lake Cleaning Project

The students of Laxmi College enthusiastically took part in a Vadale Lake cleaning event held on 14th April 2022, which was organized in collaboration with the Rotary Club Panvel and Panvel Municipal Corporation. During the event, the students actively contributed to the efforts aimed at cleaning and rejuvenating the Vadale Lake. Their participation showcased their dedication to environmental conservation and their commitment to making a positive impact in their local community. The joint initiative by the college students, Rotary Club, and the municipal authorities highlighted the importance of collective action in maintaining the beauty and cleanliness of natural spaces.
