

World Sight Day-2016

Laxmi college of Optometry on the occasion of "World Sight Day" conducted a Comprehensive eye examination for the Underprivileged Orphanage Children of Balgram Maharashtra Panchdeep Sankul on 12th of October, 2016 in Panvel.

The second and third year BSc. Optometry students carried a complete eye checkup of children in the orphanage under the guidance of the faculties.

Students performing eye examination

The World Sight Day celebration was continued on 15th of October, 2016 at Vile Parle by our participation in an "Eye Care Awareness rally" organized by **Optometry council of India (OCI)**.

It was an initiative taken by all the optometry students and professionals for promoting the awareness and importance of Eye care and Eye donation.
