

Report: Children's Day

Date: 14/11/2025

Venue: Laxmi College of Optometry (Panvel)

Laxmi College of Optometry celebrated Children's Day on 14th November 2025 with great enthusiasm and warmth. The day was observed to honour the spirit, joy, and innocence of childhood, while also remembering the birth anniversary of Pandit. Jawaharlal Nehru, who believed deeply in the growth and well-being of children.

The celebration began with a brief introduction on the significance of Children's Day, highlighting the importance of nurturing young minds, encouraging creativity, and providing a healthy environment for their growth. Students and staff gathered in the college premises, creating a cheerful and lively atmosphere.

A cake-cutting ceremony was organized to mark the occasion, symbolizing happiness and togetherness. The cake was cut in the presence of faculty members, administrative staff, and students, adding a sweet touch to the celebration. Everyone joined in sharing cake and exchanging warm wishes.

Faculty and administrative members of Laxmi College of Optometry shared short, heartfelt talks focusing on the role of education in shaping a child's future, the responsibility society carries towards children, and how future optometrists can contribute to child eye health. Their words encouraged students to stay compassionate and committed as future healthcare professionals.

The celebration concluded with a thank-you note by our Vice Principal, who emphasized the significance of Children's Day and the need to uphold values of care, empathy, and dedication towards the younger generation. He expressed gratitude to all participants and appreciated the collective effort that made the event meaningful.

Overall, the Children's Day celebration at Laxmi College of Optometry was a delightful blend of joy, reflection, and unity, reminding everyone of the importance of protecting, educating, and empowering children for a brighter future.
